Pic. of Kansas Heli gathering #1

Everyone welcome, there will be help for the beginner, and room for the experienced to lay it down, so bring a helicopter and come fly with us!
Reps from several companies will be onsite to lend a helping hand!

Location: I am trying to get all the people around the area together for a little flying. This will be held at the Franklin Co. R/C Field. It is 25 min. SW of Kansas City.

From KC: you go south on I-35 to exit 193, turn right and go approx. 2.5 miles to stop sign (road tees), turn right, go to first road to left, turn left and go 1 mile (Stafford RD) turn right and go approx. 1/2 mile, field is on the right (at BIG wind sock), turn right in between the 2 ponds, down grass runway to the R/C field!

Hope to see you all there!

Any questions contact:
